

BWA FACULTY IN DEMAND

Ballet West Academy has expert faculty who are well respected in the greater ballet community and highly sought after for judging ballet competitions and teaching masterclasses. This time of year, Senior BWA Faculty travel around the country to share their ballet expertise judging, and teaching.

Recently, Academy Director- Evelyn Cisneros-Legate traveled to Ft. Lauderdale, FL for the Universal Ballet Competition. This competition, which celebrated its tenth anniversary this year, has close ties with BW. The competition's founding members are Lissette Salgado and David Lucas. Ms. Salgado was BW Artistic Director - Adam Sklute's dance partner during their time at Joffrey Ballet, and Mr. Lucas trained with Stephen Legate in Canada. The ballet world is so small!

There were 819 submissions for UBC Ft Lauderdale this year and many talented dancers took the stage to be judged by the world-class panel. BWA hopes to welcome some new dancers to the Academy for the summer and beyond!
