

DREAMS START HERE

Ballet West will hold its 3rd annual Spring Soirée on April 21, 2023. This wonderful evening will include dinner, entertainment by our Ballet West Academy dancers, and a silent auction of once-in-a-lifetime experiences. Proceeds from this event go to support the training of the next generation of the Ballet West Academy!

This year we are excited to have current scholarship recipients participating in program! They have been rehearsing for several weeks in preparation for this special evening. Our Trainee Division students will also be performing.

Patrons of the event may purchase a single ticket for the evening's festivities, or sponsor a table. Donations are also being accepted. If you would like, [Donate here.](#)

These funds help over 50 students each year pursue their dreams to dance professionally – dreams that start here in our studios and audiences at Ballet West performances. Each night a dream is born and we get to help it live!

METAMORPHOSIS

The All-Campus Contemporary Showcase "Metamorphosis" is here! We have one more mandatory rehearsal on Saturday, and then next Tuesday and Wednesday we head to the Capitol Theatre for performances. We are so excited to show you what our students and choreographers have been working on. This is always an exciting show, full of color and creative movement!

Contemporary ballet has a place in every major ballet company in the country. If you have any interest in a professional ballet career, the language of contemporary ballet is one that you will need to learn as a dancer.

This year our choreographers have taken inspiration from all around them, including a piece by Nichele Woods based on the Great Salt Lake. Many of the works have been choreographed in collaboration with the dancers in the piece. It is exciting when students can be part of the creative process and take ownership of what is presented on a deeper level! [Purchase tickets here!](#)
